

Economic Policy Research Foundation of Turkey

The Turkey Fast Growth 25

March 21, 2012

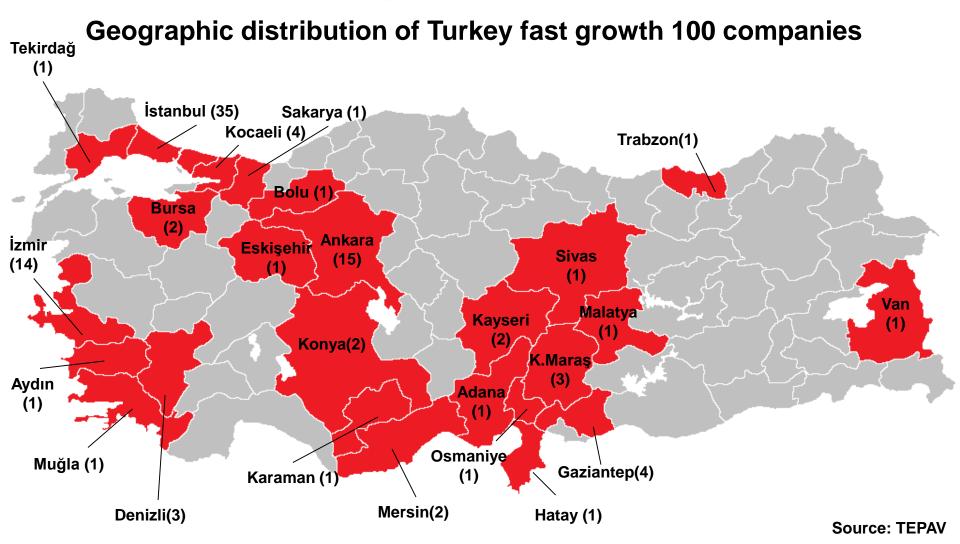

How we can make growth visible today...

- Turkey 25 is an effort to identify and celebrate high growth companies.
- The pool of applicants include self-identified high growth companies with minimum conditions:
 - 2008 revenue > 100,000 USD; 2010 revenue > 500,000 USD
 - Number of employees ≥ 10 (full time)

tepav
